DAY 1 MONDAY, NOVEMBER 14, 2022

0700 - 0830 FORUM REGISTRATION

Ballroom Foyer

0830 - 1000 OPENING REMARKS

Grand Ballroom

The development of military and strategic facilities in the Western Pacific is continuing. Admiral John C. Aquilino Commander U.S. Indo-Pacific Command, stated before the House Armed Services Committee on March 9, 2022 estimated that over \$11 billion in new military and commercial construction, maintenance and service contracts will be let over the next 5 years on Guam and the Western Pacific. Guam and the Marianas as well as other Micronesian islands are experiencing the largest U.S. defense design, construction, supply, and service initiatives in recent history.

Forum Opening-National Anthem/Guam Hymn Forum Opening:

Remarks from Congress: Guam's congressional representative will explain the purpose and importance of expanding U.S. military facilities on Guam.

Welcoming Remarks: Guam's Governor will welcome the participants and express what the expansion of military and commercial development will mean for Guam.

Welcoming Remarks: Governor of the Commonwealth of Northern Mariana Islands (CNMI): will express what the military's plans for the CNMI will mean for the people of the Commonwealth of the Northern Mariana Islands.

Remarks from the U.S. Navy: Joint Region Marianas will explain the Navy's role in the development of military and strategic facilities in the Western Pacific and the scope and duration of the program.

1000 - 1030 NETWORKING BREAK

Ballroom Foyer: Exhibits Open

1030 - 1200 MILITARY CONSTRUCTION OUTLOOK FOR GUAM, THE CNMI AND MICRONESIA

Grand Ballroom

The proposed investment by the military in expanding the role of Guam, the CNMI and Micronesia as training and national security installations in the region will be discussed. Projects planned for the region will be identified and discussed including service and maintenance contracts.

1200 - 1300 LUNCH

Grand Ballroom- Exhibits Open

1300 - 1330 PLENARY PRESENTATION

Grand Ballroom

The role of Guam, the Marianas and Micronesia in the defense posture in the Indo-Pacific Region

As the United States focuses its national security interests in the Indo-Pacific region, we will discuss why Guam, the CNMI and infrastructure in Micronesia are critical to the security of the region. International tensions are high and the importance of being prepared cannot be overstated. The scope and timing of the defense and commercial investment that is planned will be explained in the context of the overall strategic interests of the United States and its partners in the region. Also, the military and the federal government's expectations of the program will be explained.

1330 - 1430 COMPETITIVE PROPOSAL PROCESSES FOR GUAM, CNMI AND MICRONESIA PROJECTS

Grand Ballroom

Presentation on the standard NAVFAC competitive bidding/proposal processes and procedures, as well as protest procedures and debriefing procedures. In addition, issues of escalating costs of construction in the region will be addressed.

1430 - 1500 NETWORKING BREAK

Ballroom Foyer: Exhibits Open

1500 - 1600 INSTALLATION COMMANDER / COMMANDING OFFICER (PANEL DISCUSSION)

Grand Ballroom

Key military executives for the Navy, Marine Corps and Air Force will present their roles in supporting the continued defense installation development and the specific requirements they may have for contractors including cyber security requirements as well as the role expected for small contractors.

1600 - 1700 DOING BUSINESS AND TEAMING ON GUAM (PANEL DISCUSSION)

Grand Ballroom

Guam, like any place you do business, has requirements and expectations of the companies that work here. Learn about the tax, regulatory and incentives that are available to companies that are selected to participate in the relocation projects. A key component of this session will be a discussion about how teaming agreements can be used for partnerships as well as SBA regulatory updates, and the application of Small Business goals for foreign contracts.

1700 - 1715 DAY 1 WRAP-UP

Grand Ballroom

The key takeaways from the sessions on the first day will be discussed and summarized.

1715 - 1900 NETWORKING MIXER

Dusit Thani Guam Resort, 6th Floor
